

Meeting Minutes for Village of Waterman Streets and Alley Committee meeting 6/16/2020

Roll Call

Trustees Feitlich and Pearson were present,

Village Engineer Norm Beeh, Village President Daryll Beach and a representative from the Dekalb County Highway Department were also present in the audience

New Business

Mr. Beeh brought to the committee a proposal from the Dekalb County Highway Department that would have the Village of Waterman take ownership of a section of Waterman Rd. just north of Duffy. As part of taking over responsibility for this section of Waterman Rd, Dekalb county would like the Village's recommendation on a project that could be funded by the county.

There were two projects that were discussed by the committee, one that would involve moving the Duffy ditch, allowing for the currently impacted area to be maintained more easily. The second was a storm sewer improvement project for Elm St from 30 to Duffy, including road repairs.

The County would like a recommendation from the board as soon as possible to allow for proper budgetary approvals.

MEETING ADJOURNED AT 7:43 AM
