1. Call to Order
2. Roll Call
3. New Business

Discussed status of fire cleanup. On June 7, 2021 Waterman Western Railroad and Pete Robinson and Charleen Robinson received notice of the final bill for the fire clean up. Committee recommends a second notice, laying out next steps. The notice will include a deadline of 90 days to pay the invoice to the Village. If the balance is not paid by October 1, 2021, the Special Committee on Fire Cleanup will convene to recommend filing a lawsuit again Waterman Western Railroad, Pete Robinson, and Charleen Robinson.

Committee also recommends calculating hours used by public works and calculating cost of materials for putting the park back to its original condition. Committee also recommends we discuss this issue at the next board meeting.

4. Public Comments

The community should not have to pay for the fire clean up. Would like to see the old tracks returned to grass.
