

Splash Pad at Waterman Lion's Park Is Open!

Amy Nykaza, Waterman Village Manager

Waterman, IL (July 19, 2021)

The much-anticipated splash pad at Waterman's Lions Park has made its debut at the Waterman Lion's Summerfest, Saturday, July 17, 2021.

The splash pad features a bucket trio, water geysers and an ombrello for a fun way for kids to cool off during a hot summer day! The splash pad will run Memorial Day through Labor Day, weather permitting. The hours of operation are **10am to 8pm daily**. Splash pad rules are posted on site and can be found on our website www.Villageofwaterman.com.

The Village of Waterman Board approved the plans in March of 2020 and worked diligently to fundraise for the project. Grants and donations were made possible thanks to the Waterman Lion's Club, the DeKalb County Community Foundation, and the State of Illinois, with special thanks to State Rep. Tom Demmer. All were instrumental in making this project happen. ***Parks bring people together and build community.***

For questions regarding the splash pad, please call the village at **815-264-3652**, or see our website www.Villageofwaterman.com.
