NOTICE

NEW Municipal Debt Satisfaction Program for the Village of Waterman

The Village wants to make everyone aware that on July 12, 2022, the Board of Trustees of the Village of Waterman, DeKalb County, passed Ordinance 2022-07: Satisfaction of Municipal Debt which has been recorded with the DeKalb County Clerk's Office. This program is effective immediately for all real estate sold in the Village of Waterman.

The village will charge a fee of **\$10.00** for the preparation of a municipal debt satisfaction certificate payable upon application for the municipal debt satisfaction certificate.

Upon the final water meter reading and the amount owed being determined, including, but not limited to, any outstanding penalties for delinquent payments and for other monetary obligations owed to the Village, the applicant shall make full payment to the Village in the amounts then determined to be due.

If the Village Clerk determines the transferor of the real estate has paid in full, all utility charges owed, and that the transferor of the real estate is not otherwise in debt to the Village, the Village Clerk shall issue a municipal debt satisfaction certificate. The municipal debt satisfaction certificate shall be valid for a period of 30 days from the date of issuance.

The full version of the ordinance and the Municipal Debt Satisfaction Application can be obtained by visiting our website or by calling Village Hall at 815-264-3652.
